Mike Keith
Region of Peel

Mike Keith began his police career in 1969 with the Hamilton Police Department. In 1975 Mike was chosen to train as one of the first Swat Officers in the province on a team that eventually became known as the Emergency Response Unit or the ERU. Mike served on the ERU until entering into the field of Insurance Fraud Investigation for the next several years.

In 1985 Mike launched C.M. Keith & Associates, one of the first Independent Paralegal firms in the province. After 10 years of successfully defending traffic and criminal driving offences Mike was chosen by Sheridan College to design a Court and Tribunal Agent program. Mike launched that program in the Fall of 1996 and became the Program Coordinator and teaching professor specializing in traffic law.

In 2000 Mike was hired by the City of Hamilton to prosecute Traffic and Municipal charges. Mike continued prosecuting until March 2007 when once again, as a result of a very high demand for his expertise, he returned to his specialty of traffic court defense.

As one of the most experienced traffic court experts in the province, Mike invites those with traffic or criminal driving charges to rely on his 32 years of traffic court experience.
